

REMARKS/ARGUMENTS

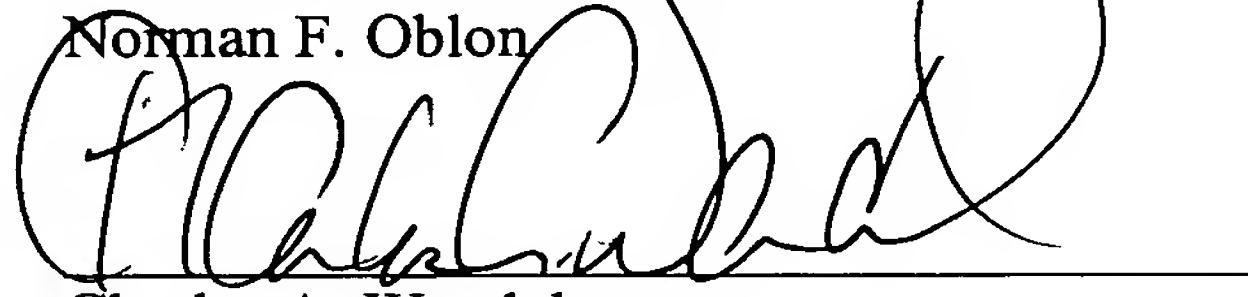

The claims have been changed to eliminate multiple dependencies and to incorporate changes made by an Article 34 amendment in the international counterpart application.

An early examination of Claims 1-10 and 13-25 is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.

Norman F. Oblon

A large, stylized handwritten signature in black ink, likely belonging to Charles A. Wendel, is written over a horizontal line.
